Thank you Mr. Miller. We will process your request immediately.

We share your disappointment that 15 qualified applicants have not volunteered for this program. As you may know, it requires significant hours for training and a commitment to volunteer after the training that is far more than most individuals can make. In the last class, most of our students were ACTs (Animal Care Technicians) hoping to use the class to promote to ACOs (Animal Control Officers).

Thank you for your support and for you willingness to work with the Department of Animal Services.
